

2020 COURSE INFORMATION FOR FIRST ATTACK FIREFIGHTING EQUIPMENT

This course is suitable to employees who are responsible for demonstrating how to interpret and follow manufacturers' instructions on various first attack firefighting equipment in emergency situations.

Pre-requisites:

Co-requisites:

Pre-entry Requirements:

Description:

This unit of competency specifies the outcome required to demonstrate the use of portable fire extinguisher, fire hose reels and fire blankets. This unit of competency supports fire protection equipment service technicians responsible for demonstrating to customers how to interpret and follow manufactures' instructions on various first attack firefighting equipment in emergency situations. Work in this area must be completed according to relevant legislative, industry, customer and organisational requirements, including Occupational / Workplace Health & Safety (OHS/WHS) policies and procedures. Different states and territories may have regulatory mechanisms that apply to this unit
