

2020 COURSE INFORMATION FOR PROVIDE FIRST AID

**Duration:**

8 Hours

Max Students:

15

Designed for:

This nationally recognised course describes the skills and knowledge required to provide a first aid response to a casualty. The unit applies to all workers who may be required to provide a first aid response in a range of situations, include community and workplace settings. There are legislated requirements in each state in relation to this training. These requirements will be documented in each states approved code of practice for first aid.

Pre-requisites:

Nil

Co-requisites:

Nil

Pre-entry Requirements:

Unique Student Identifier (USI) - www.usi.gov.au

Fitness to participate

This training course involves the completion of a theory workbook prior to the start of the training session (taking approximately 3 hours) which is submitted on the morning of the training course.

Description:

This unit deals with the skills and knowledge required to provide a first aid response to a casualty and applies to all workers who may be required to provide a first aid response in a range of situations, include community and workplace settings.

Content:

Note: This training course involves the completion of a theory workbook prior to the start of the training session (taking approximately 2 hours). It is a requirement that this workbook be completed prior to training and bought on the day of training as a reference.
